

WITNESS TO DIGNITY

GUIDANCE

We provide training, consultations, or general project support to help you elevate accessibility and grow your program to truly meet the needs of each member in your ministry, church, or school.

RESOURCES

We provide curriculum, materials, and other accessibility resources to assist you in increasing access and reducing barriers for the people in your church or school community.

COMMUNITY

We provide intentional spaces for you to advocate for your own accessibility needs or to better support the people in your ministry, church, or school community in advocating for theirs.

ABOUT US

Witness to Dignity is a non-profit that provides support to Faith-Based Organizations in serving People with Disabilities, Neurodiversity, and Mental Health Conditions. We equip and empower Clergy, Ministers, Staff, Educators, and Volunteers to effectively serve without putting a strain on energy, time, or resources.

OUR WHY

We honor and advocate for the dignity of every person. We are intentional about meaningful access so that people with diverse needs can better experience their faith and belonging.

Online Training Subscription

Our Online Training Library is available with New Trainings released monthly.

Individualized Support

Our Services are Individualized to meet your specific ministry, church, or school needs
